### **REMARKS**

In response to the Notice of Allowance and Issue Fee Due mailed October 2, 2006 in which Applicants were requested to submit formal drawings for Figures 1-12 of the above-captioned application, Applicants hereby submit in accordance with 37 C.F.R. 1.84 (c) and 1.121 (d) eight (8) sheets of formal drawings, containing Figures 1-12 for the above-captioned application. These formal drawings replace the corresponding sheets of informal drawings submitted with the application as originally filed and contain no new matter. Further, in accordance with the requirement of 37 C.F.R. 1.121 (d) that all changes to the drawings shall be explained in detail in either the drawing amendment or remarks section of the amendment paper, Applicants note that the formal drawings submitted herewith differ from the informal drawings submitted with the application as originally filed in that the formal drawings 1) address the objections to the informal drawings raised by the Draftsperson in the Notice of Draftsperson's Review dated November 18, 2002 and 2) do not contain the figure legends (e.g., "Chromatogram of Example 1" for informal Figure 1) contained in the informal drawings in the application as filed (e.g., "Chromatogram of Example 1" for informal Figure 1).

The Examiner is hereby authorized to charge any fees in connection with this application, should they be required, to Deposit Account No. 14-1447.

Respectfully submitted,
